We begin our third session of After School Clubs with a few minor changes in the line up! All of the clubs are offered again including the Dance classes. Now is your chance to mix it up and try something new and different, or register again for your favorite club. There will NO LONGER be clubs beginning at 4:00. All club information can be found on SMES website under Parent Resources. You may NOT register online.

Please review carefully and make your registration choices. Remember, DO NOT send a check, as your child(ren)'s account will be billed for your choices.

All registrations should be completed on the back page and returned by JANUARY 24, 2007.

The class dates are listed with each club. There are NO clubs on minimum days or days that school is closed. All clubs have a minimum and maximum enrollment, so choose carefully and as soon as possible. You will only be notified if the club you chose is cancelled due to less than minimum enrollment.

Any questions or comments may be addressed by calling 661-0108, ext. 659, or e-mail to lisa.mers@smes.org.

Thank you for your continued support of our After School Program.

Lisa Mers, After School Club Coordinator

ART

Come join us for After School Art Club with Ms. Cunningham, our M/S Art instructor.

CREATING WRITERS IN A WRITING WORKSHOP

This class is open to grades 4 & 5. Classes last a full semester.

Let YOUR journey begin and become a confident, motivated writer. Get out your writer's "tools," and learn the magic of revision as you become an effective, joyful writer. Whether you are joining the Writers' Workshop as an enthusiastic or a reluctant writer, you'll be sure to strengthen and develop your skills. The small class format will allow you to receive plenty of attention, and the inspiration and support of your writing peers. Taught by Mrs. Cathy Jones, Language Arts Specialist and Literacy Coach

SMES L/S DANCE CONSERVATORY

We are proud to continue our new Dance Conservatory! We have always offered dance classes, however, now we can assure a consistent, professional instruction that continues in progression with the students as they grow through lower school. All of the classes are a combination of ballet and tap, each week. The levels are designed to teach the students in semester long sessions, to ensure they will be ready and excited to move to the next level each year.

Ms. Mona Costanzo is our professional instructor. All School Dance Recital is on May 12. All dance classes last one full semester.

The students will participate in the All School Dance Recital in May.

All Dance classes are one full semester long.

K-1 COMBINATION BALLET & TAP

This class is the second level offered in our new After School Club Dance Conservatory. Our instructor once again is Ms. Mona!

This beginner ballet class helps foster a love of dance & music for both boys and girls. It consists of basic Classical Ballet movement and terminology. In addition, this class will also teach basic steps & rhythms of Tap Dance. Creativity & self expression are important components of this level.

WEDNESDAY 3:15 pm - 4:15 pm

Jan. 31 - May 23, 07

LOCATION: Dance Room above (old) gym

FEE: \$240.00 (16 classes)

MAXIMUM class size: 15 students

GRADES 2-5 DANCE COMBINATION BALLET & TAP

This is the third level of our Dance Conservatory Program.

Ms. Mona's instruction will help to improve their coordination, flexibility, stamina, strength, social skills, concentration, posture, self-discipline, and self-esteem while practicing classical ballet and tap technique. They will experience the joy of cooperation, team work, and sharing their talents.

THURSDAY 3:15 pm - 4:15 pm

Feb. 1 - May 24, 07

Fee: \$240.00 (16 classes)

Location: Dance Room above

(old) Gym

Feb. 5 - Mar. 19, 07

FEE: \$90.00 plus \$30.00 material fee (6 classes)

LOCATION: Room 23 Art Room

MAXIMUM Class Size: 10

SCIENCE

This class is open to grades 1-5.

Chemistry is the name of our game this session. Let's learn about the study of matter, or how to blow things up (what everyone always wants to do), but in a safe and controlled way, of course. Learn what makes big and small explosions, and what keeps them going. Study the forces behind major earth shaking eruptions, and minor explosions that happen inside you, as you learn the chemistry of exothermic reactions. There is only ONE class offered.

MONDAY 3:15 pm - 4:15 pm

Feb. 5 - Mar. 19, 07

FEE: \$90.00 plus \$60.00

material fee (6 classes)

LOCATION: Mrs. Suttile's Science Room #30

MAXIMUM Class Sizes: 15

SCRAPBOOKING

This class is open to grades 3-5.

You supply the pictures and Mrs. Cuda will provide all the materials to create a book of memories to last a lifetime. Everyone will receive their own scrapbook and the use of all supplies including several types of cutting tools, croppers, punchers, photo mounting paper, pre-made die cuts, stickers, adhesives and pens, and a die-cut machine with tons of cool cut-outs! All you need to supply are the photos!

FRIDAY 3:15 pm - 4:15 pm

Feb. 2 - Mar. 23, 07

FEE: \$120.00 plus \$30.00

material fee (8 classes)

LOCATION: Art Room #23

MAXIMUM Class Size: 15
