

**ST. MARGARET’S PARENT AND STUDENT DRIVERS:**

The Orange County Fire Authority grants St. Margaret’s the privilege of using the fire lanes for drop-off and pick-up periods under the following conditions:

- SMES provides appropriate fire lane signage for the parking lot and driveway system.
- SMES provides a parking lot attendant to direct traffic during the drop-off and pick-up periods.
- All parent and student drivers sign and return the tear-off portion of this letter, acknowledging their willingness to be governed by these conditions.

With this program in place, the Orange County Fire Authority conditionally allows St. Margaret’s to use the fire lane portion of the driveway system for the drop-off and pick-up of students.

If it is found that drivers of vehicles are not complying with the parking attendant’s directions, approval may be withdrawn, with the fire lanes kept free of any obstruction at all times.

**ST. MARGARET’S MUST OBEY THE FIRE AUTHORITY.**

The loss of this privilege would be very detrimental to our program. Please assist us in keeping the children safe by observing the rules.

Thank you for your attention and consideration to this matter.

Sincerely,

Marcus D. Hurlbut  
Headmaster

-----  
I understand and agree to be governed by the conditions set forth by the Orange County Fire Authority for the privilege of using the fire lanes for drop-off and pick-up periods. I will cooperate with the St. Margaret’s parking lot attendant in this regard and will not leave my vehicle unattended for any reason. I understand that my privilege may be revoked if I do not comply with the attendant’s instructions and emergency vehicle access needs.
